Sample list of occupations for which its graduates typically find employment within a few years after completing the program:

Course	SOC Code	Link to occupational profiles on O*NET	Sample list of occupations for which its graduates typically find employment within a few years after completing the program:
Respiratory Therapy	29-1126.00	http://www.onetonline.org/link/summary/29-1126.00	Respiratory Therapist

On-time Graduation Rate:

The Respiratory Therapy program began in November 2010 and does not yet have any completers; therefore disclosure information for On-time Graduation Rate is not yet available.

Graduate Employment Rate:

The Respiratory Therapy program began in November 2010. As no students started September 2007 – August 2008, Graduate Employment Rate is not yet available.

Employment rates are based on students that started their program of study within the listed period as prescribed by the Accrediting Commission of Career Schools and Colleges (ACCSC) guidelines for reporting.

Typical tuition and fee charges for students completing the program within normal time:

Tuition: \$31,500

Books & Supplies: \$3,400

For students who begin classes between August 1, 2011 and August 31, 2012.

Median Loan Debt:

The Respiratory Therapy program began in November 2010 and does not yet have any completers; therefore, disclosure information for Median Loan Debt is not yet available.

The Respiratory Therapy program at YTI Career Institute holds Provisional Accreditation from the Commission on Accreditation for Respiratory Care (www.coarc.com). This status signifies that a program that has been granted an Approval of Intent has demonstrated sufficient compliance to initiate a program in accordance with the *Standards* through the completion and submission of an acceptable Self Study Report (SSR), and other documentation required by the CoARC Board. The conferral of Provisional Accreditation denotes a new program that has made significant progress towards meeting the Standards of Accreditation. The program will remain on Provisional Accreditation until achieving Initial Accreditation. It is recognized by the National Board for Respiratory Care (NBRC) toward eligibility to the Respiratory Care Credentialing Examination(s). Enrolled students completing the program under Provisional Accreditation are considered graduates of a CoARC accredited program.
