

# YTI Career Institute Scholarship Committee & Award Procedures

## **Purpose of Scholarships:**

YTI Career Institute is committed to excellence in education and will award full and partial tuition scholarship assistance to talented and motivated applicants to its current programs. The scholarship program is a reflection of the school's commitment to community service and to encourage the most qualified applicants to become industry professionals.

## **Award Procedures:**

All scholarships will be awarded by a committee consisting of, but not be limited to, the Campus President, Director of Education, and at least 3 Advisory Board members. This committee shall be known as the "YTI Scholarship Committee" (the Committee). Candidates for each scholarship offered by the school will be selected based upon demonstrated achievement on a standardized academic achievement exam. The candidates, who may be applicants to any degree program at York, with the eight highest scores, will be asked to write an essay on a topic determined by The Committee. The Committee will schedule personal interviews with each candidate. The combination of test, essay, and interview scores will determine the scholarship recipients.

Applicants may apply by obtaining a scholarship application from YTI and must consist of the following:

1. Application Form
2. Letter of recommendation from teacher and/or employer
3. Current high school transcript

Applicant must be in his/her senior year of high school.

Scholarship recipients must enter YTI Career Institute within six (6) months of high school graduation.

## **Committee Structure:**

The committee will consist of, but not be limited to, Campus President, Director of Education, and 3 Advisory Board Members.

## **Unexpended Award Funds:**

Unexpended award funds may not be accumulated from year to year. All unexpended awards are returned to the institutional budget.

## **Transfer of Awards:**

No institutional scholarship awarded by the Committee, for the benefit of YTI students, may be transferred to any other institution. No recipient may transfer his or her YTI scholarship to any other individual or any other program other than the program currently applied for. A scholarship may not be redeemed for any cash sum.

## **Loss of Awards:**

All recipients of YTI scholarships must maintain a C average and remain in Satisfactory Academic Progress as defined in the school catalog and student handbook. No recipient may continue to participate in the scholarship program if they are placed on academic probation, attendance probation, or disciplinary probation. Any probation status will result in the revocation of all institutional scholarship awards that are not a part of Federal Student Aid. All scholarship recipients must be current and remain current with any other costs due to YTI as a result of the student's tuition payment plan.

## **Federal Student Aid:**

Scholarship applicants also have available the Federal Student Aid programs. This aid may be adjusted by the amount of institutional scholarship awarded to the student.

**Tuition Balance:**

If the scholarship award does not cover the total tuition and costs at YTI, scholarship recipients are responsible for the balance of tuition and costs associated with their educational program at YTI.

**General Disclaimer:**

Scholarship applicants understand that all applicants have been assumed to provide factual information regarding their academic standing with their high school. All recipients must be high school graduates and must provide a copy of their high school diploma prior to any award being finalized. YTI may ask for other documents of identity or citizenship as may be required to substantiate student and/or parent information.
