

Roommate Information

As a service to the students, the Student Services office maintains a list of prospective roommates. The list is kept in the Student Services office, and online at www.yti.edu/StudentLife. You may access the internet listings at anytime by going to the above link, clicking on "Housing Assistance", click on "York Campus Listings", and entering the password. Please see Student Services for the current password.

It is the responsibility of the person seeking a roommate to contact others on the roommate list.

The Housing List, which is published once per month, is available. It is ultimately the student's responsibility to obtain their own housing. However, the Student Services department can assist them with any questions or problems they may encounter.

To be included on the roommate list, please complete the information below and return it to the Student Services office.
