The new Criminal Justice & First Response Program at YTI Career Institute-Capital Region will welcome its first students on February 15, 2012 with a ribbon cutting ceremony at 5:00 p.m. with the West Shore Chamber of Commerce. Tours of the YTI-Capital Region campus will begin at 4:00 p.m. and are open to the public.

YTI will offer an Associate in Specialized Business Degree in Criminal Justice & First Response.

“YTI’s Criminal Justice & First Response Program is designed to provide students with the skills, training and education necessary to obtain entry-level employment in a wide variety of positions,” says Erin Carlin, PhD., YTI Career Institute-Capital Region president.

With training through the Criminal Justice & First Response Program, students can be ready for employment in the field of criminal justice in as little as 21 months. With the FY2012 Pennsylvania State Budget including a \$10 million increase for the state police (according to Sunshine Review), there are criminal justice jobs available in the state, particularly in juvenile justice.

“Even before opening its doors, the Criminal Justice & First Response Program is now our most in-demand program, along with Dental Assisting,” continues Carlin.
