

## **Porter and Chester Institute Purchases YTI Career Institute**

*Porter and Chester Institute (PCI), a Connecticut-based private sector, post-secondary technical institution with nine campuses throughout New England, is proud to announce the acquisition of YTI Career Institute, a private sector, post-secondary institution of higher education serving south-central Pennsylvania and northern Maryland.*

Rocky Hill, Connecticut ([PRWEB](#)) December 04, 2013 -- Porter and Chester Institute (PCI), established in 1946, a Connecticut-based private sector, post-secondary technical institution (<http://www.PorterChester.com>) with nine campuses throughout New England, is proud to announce the acquisition of YTI Career Institute (<http://www.YTI.edu>), a private sector, post-secondary institution of higher education serving south-central Pennsylvania and northern Maryland.

“We are delighted to be adding schools with the superior career outcomes, reputation, and community involvement of YTI,” stated James Bologna, Chief Executive Officer of PCI. “We look forward to a partnership that continues to serve the needs of our students, their future employers and our communities.”

YTI, established in 1967, offers Associate in Specialized Business and Associate in Specialized Technology Degrees, as well as programs leading to professional licenses, certifications and diplomas.

Mike Marino, Senior Vice President of Operations at YTI, stated, “We’re thrilled to have ownership who values our commitment to preparing students for success in their new careers and offering diverse programs that meet the demands of employers. PCI is a long-standing, proven school operator who, like YTI, employs an industry-modeled approach to learning, making this acquisition an ideal match.”
