York Habitat for Humanity will hold a HabiTeam build with staff from YTI Career Institute Friday from 8 a.m. to 4 p.m.

The HabiTeam experience is offered to groups of 10 to 15 people to help organizations develop key team members and contribute to the community at the same time. The event will start with group problem-solving and team-building activities at York Habitat's offices, followed by a "Get to Know Habitat" presentation.

In the afternoon, the participants from YTI will work together to renovate Habitat homes on West Poplar Street in York. YTI is sponsoring one of the houses. For more information about the HabiTeam program, sponsorship opportunities or volunteering, contact Miles Fishel at 854-6168, ext. 102 or miles@yorkhabitat.org.
